GOLDEN VALLEY, Minn. - Having recently been crowned the "Most Romantic Getaway" in North America by USA TODAY 10 Best, Saint Paul is ready to prove it to the world of singles.

Beginning August 18, Agency NORD and Visit Saint Paul launched a nationwide search for singles called America's Chance for Romance. The promotion is seeking out singles unafraid of adventure and serious about looking for love. After applications close on September 30, Celebrity love architect and elite matchmaker Kailen Rosenberg will pair 10 couples that will be featured on the USA TODAY 10Best website and the public will choose the winning couple.

Behind the scenes on the podcast *The Love Happy Hour* with Kailen Rosenberg.
